Are you really innocent?

I've changed over the years. I went from innocent to ravaging. I shied away from intimate contact, now I initiate it. I love sex, the feeling of a cock in my mouth, my pussy and most of all my ass. You'd never think so just by looking at me. Look hard and you'll see the little devil inside.

Kali, pink suits you perfectly!

I just turned twenty and moved out to California from Minnesota. I only knew two people, but within a month I met a whole lot more. One of them was a photographer who told me I had the perfect girl-next-door look. She took some pictures of me and within a month I had done several shoots and videos. I love California!

It's a lazy day and I'm waiting for my friend Andrew to come over. I promised him a home cooked meal if he would fuck me. And I promised I'd bake him chocolate cake if he would fuck my ass. Do you know anyone who could resist that? I don't think so. Oh, there's my doorbell. See you in the kitchen!

not your average love letters

To the Editors:

I'm sending you this letter in hopes that you can get it to Brooke Haven, please. I'm usually a pretty shy guy and I don't talk like this is real life, but she brings out the animal in me and I know, from what I see doing that she should not find it offensive.

Dear Brooke,
I'm wrting to tell you how enamoured I am with you. When I saw you on the cover of **American Chicks**, I nearly creamed my pants right there at the newsstand. You're one fine piece of woman. I know I could satisfy you like no man can. As you lick my massive nine-inch penis, my sperm is shot straight into your sucking mouth as you have an orgasm eating that sticky white fluid while your vagina becomes very wet and exciting. Then you tell me to suck on those perfect mammary cannons and I rip that black bra off and suck those perfect nipples until you moan in pleasure. I then smash my penis into your inviting pussy and cause you to orgasm while you squirt all over me with your female juices, and squirt into my mouth while I shoot more hot cum down your wet pussy.

We then pass out and wake up the next morning. You flash me your pussy and I can't resist. I drive my big nine-inch penis straight into your vagina and shoot a lot more sperm down your love canal. I then ram my massive penis up your ass and hit the jackpot while you scream in pleasure. Finally, I rub my penis all over your g-spot and clit while you have another huge orgasm and we both pass out from the excitement. Now wouldn't that be a fine way to spend the day? Please don't think these are idle boasts. I know I can deliver on what I'm writing because you are the hottest, sexiest, most fuckable woman I want to know, and you'll want to know me, too.

To the editors,

I haven't written to any magazine before, especially a man's magazine, but if American guys like American women, then read on. My name is Simone

more of…

what makes this country great

and I'm writing to share an experience I recently had and to encourage any reader that may be in the same predicament. Like many contemporary women, I've come to realize how hard it is to keep a man. Especially a good one. So we have to use our womanly wiles and maybe go beyond our comfort zone. In my situation it's Andrew.

She was a neighbor of ours. Her name was Justine and she lived in our building. I'd spotted her in the elevator a few times. We got to talking one day as we waited for a cab. She told me she was twenty-one and looking for a job. She just graduated from Pratt and wanted to start a career in fashion. I told her how beautiful she was and probably very talented, also. She blushed and giggled and I found that quite refreshing. I told her I wanted to sexy-up my underwear wardrobe and what better person than a talented upcoming fashion designer.

We set our plans for Saturday and met at Pink's Lingerie. We went through almost their entire inventory of 36Cs and settled on three new bras for me and a half-dozen pair of panties that included three g-strings and thongs. I had never worn such sexy stuff. I convinced Justine to come back to my apartment and help me select which ones to wear during the week. I'd supply the wine and laughter.

As we entered my apartment, my husband Andrew was there watching baseball. I introduced them and headed off to the bedroom with her to try on the new stuff. While I was modeling them for her, she told me that she had just split with her boyfriend of four years because he found out she had experimented with girls her first year in college. No matter how much she tried to explain and ask forgiveness, he wouldn't hear it. They split and she had been wandering from one night stands to month long affairs, none of which were very satisfying.

As the afternoon wore on and the wine wore us down, I slowly incorporated hints of a three-way to liven up both our lives. She seemed amused by the thought and I invited her for dinner on Sunday night. She agreed and I saw her to the door. We gave each other a big hug and quick kiss to seal the deal. After she leaves, I go over to Andrew and join him on the sofa to watch the end of the game. I told him of the dinner invite and at first he seemed a little negative until I mentioned that she was bisexual and if he wanted to do her, I meant us, that would be okay with me.

It's now six p.m. on Sunday night and she's late. I'm thinking she got cold feet and didn't want to come. The, ten minutes later the door bell rings. Andrew gets the door and invites her in. All three of us are dressed nicely and I have a sexy bra and panty set on that he doesn't know about. Dinner passes nicely with good conversation and laughs. Andrew and Justine seem to have hit it off and are comfortable with each other. I ask him to clean up the dishes while she and I get something to show him. Justine and I go into the bedroom and I show her what I'm wearing underneath. She lifts her top to show me hers and I smile approvingly. I tell her to go get Andrew and bring him in here. She does and when he comes into the bedroom, he finds me standing in front of the bed in a lacy black half bra and lace thong. He drops his jaw at the sight.

Now, Justine strips out of her clothes without being asked, and we saw her body was stunning. She was around the same height as me but thinner. To balance that she had bigger boobs and bigger hips and a beautiful ass. Her skin was flawless and cried out to be licked. She unhooked her bra and threw it aside. Then she sat on the bed and peeled her panties down her long legs. Her muff had the smoothest, whispiest pubic hair I'd ever seen on a girl. Not only that, it gleamed like satin and made my mouth water. At any rate the chill had gone out of her manner so I put my hands round her shoulders, pulled her towards me and kissed her full on the mouth.

As I went to remove my underwear she stopped me. "Leave it, it's very sexy." she said. That silky muff was where I wanted to be but first her perfect boobs demanded to be sucked. One of her hands was inside my panties and seemed to be enjoying the smoothness of my pubic mound. I put my hands on her ass and squeezed her buns. I saw Andrew's eyes widen. He then leaned in towards us but wasn't prepared for what happened next. He lunged forward and buried his face in Justine's ass. If it came as a shock to me, it was just as much of a surprise to her and she jumped. Surprisingly she smiled. She lay face down and spread her cheeks with her hands by way of invitation. This time I wasn't missing out on seeing her butt hole and joined Andrew between her legs. I unzipped his fly, pulled out his cock and popped it onto my mouth. From the top of the bed I heard Justine moaning loudly as Andrew tongue-fucked her ass.

Dear reader, I'm having to stop here because I have to go to work. Please cum back to my letter in the next issue. I promise to have finished it and will share this exciting evening with you.

– Simone, Brooklyn

To the editor,

For all you aficionados of cars, women and sex. Here's to having sex in a car with a hot lady. I'm guessing that second only to the bedroom is the car for having sex. It's an intimate spot and the immediacy of it is a big turn on. So here's my latest encounter: Tracee.

I pick up Tracee at her house. No real plans for the night so I ask her where she would like to go? She's digging my vintage jet black '68 Chevy Impala SS. She replies just go somewhere quiet. I started driving away from her place, into the sunset, and we drive over to a huge park in town. I drive over next to the lake and there is not a car or person in sight. She gestures me to park the car under a large tree that is blocking some of the streetlight. I put the car into P and roll down the windows an inches. Personally, I don't like the windows steaming up.

I turn off the headlights and kill the engine, taking a moment to listen to the silence. Then we both moved forward and our lips meet. We kept on kissing and I really wanted to make it a special night. I was in the driver's seat and sexy Tracee next to me. I gently pushed her back in her seat and hit the button to move her seat forward towards the dash. She opens the door and looks back at me beckoning me into the back seat. I open my door and push the button to move my seat forward. I join her and reach forward to re-lock the doors.

Now there's some space in the back and we meet in the middle and start kissing her again. I slip my hand under her top and unfasten her bra and pull it out from under and toss it on the floor. She unbuttons my shirt and pushes it off my shoulders and throws it on the floor, too. I pull her t-shirt up and off her leaving her just in her shorts. Now our bare upper bodies were rubbing vigorously. I slid down and flicked her left nipple with my tongue. She had beautiful boobs with perky tan nipples.

She unzipped my pants and reached in to find my cock. By now it was ready for her and she started playing with it. I undid my pants and pulled them off taking my boxers with them. I unhooked her shorts and she pulled them and her panties off, dropping them on the floor, too. Now we were both naked (shoes don't count) and her fully shaved pussy was right in front of my face. I pulled her towards me so that we both are below the window line. I swiveled so I could sixty-nine her with me on top and her below. I spread Tracee's legs wide and pulled the covering of her clit so the tip of the clit could pop out a bit. I gently flicked and licked it as I massaged her butt cheeks. I lowered my hips and cock carefully and she swallowed it right away. The silence was broken by our slurps and moans.

I felt her tongue playing with my cock as she pulled my ass cheeks apart and teased my butthole. I pulled both of her legs back and lifted her hips so I could do the same to her. For the next few minutes we licked each other's privates and sensing she was really worked up, I got up and pulled her up too, so she could sit on me. She straddles me and with a quick shake of her butt in my face, sits on my rigid pole facing the forward. I lean back in the seat and watch her butt bounce up and down on my cock. She's got her hands on the front seat headrests and she's grinding her hips into me.

I reach around front and with one hand fondle one of her boobs, and with the other I reach down to her clit. I whisper I'm about to cum, but as I do she lets out an orgasmic scream beating me to it. I push her off and pull her head down so she can finish me with her hands and mouth. She drops to her knees and takes my cock in her mouth, and looking up at me, I start my faucet and spill it deep down her throat. She gulps it down and wipes what drips out with her t-shirt. We dress quickly, omitting our underwear, and jump back into the front seats. We adjust them and I turn on the AC. Even with the windows cracked, they've fogged up. We wait a moment for them to clear up and I start the car and we head for another dark spot.

– Dwight, in the USA

Tina, are you ready for some cock today?

I'm more than ready, It's been almost two months and I'm horny as hell. I got myself off a few times during that time, but no one has fucked me. My pussy's wet just talking about it. Do I have to wait for some stud or are you going to do me?

Tiffany, you are smokin' hot.

That's very nice of you to say. I never think of myself that way. I'm just a sweats and sneakers kinda girl. I wear baseball hats go Dodgers and eat fast food burgers. I have a fun sex life and I try to get as much as I can. Sex has to be a good time for me or it's not worth having. You know the saying 'Like pizza, even bad sex is good.' That's not true. Bad sex is bad, but I've been lucky, that's only happened two times

a good sex day

We're ready for your close up SinDee.

I know you are and so am I. I had a girlfriend help me shave my pussy clean last night. I can easily get the top part, but it's hard to shave around my pussy lips and underneath. It's so sensitive, and if I get a razor cut, it'll hurt for weeks. Hope she did a good job because we had a lot of fun.

my mouth is not enough

Jaime, we hear you can go all day long!

I waste little time when I'm on the job. Zippers come down, my mouth goes on and then it's suck, suck, suck. But when it cums to fucking me, my pussy goes into overtime. If the scene needs to be redone, I'm ready. Take it again from the top? I'm ready. Are you?

taken for a ride

Life in South Beach can be quite exciting most of the time. Other times it's boring and repetitious. I had been going to the same Joe's Stone Crabs on Washington Ave. for several years. The food's great, but the people that came in were always interesting. I would go at different hours because my job as a cab driver didn't have regular hours. One night, I dropped off my last fare a few blocks away and decided to go to Joe's. I get there at about ten that night when a great looking chick walks in, followed by some guy that seemed pretty upset.

It turns out they had just divorced and they were still bickering over custody of the dogs. They sat at the booth right behind me and occasionally I would get an earful of their conversation. The courts had awarded her all of them, but he wanted the two big ones. She wanted all to keep them all. I ordered dinner and they were just having drinks. Not a great idea, I thought, when you're having a spat with someone. That's how things escalate very quickly – and they did here, too.

The two got so loud that the manager had to come over and tell them to cool it or get out. They slowed down for a minute and I was able to finish my dinner in relative quiet. As I was waiting for my check they had one last big blow up. The guy got out of the booth, came over to her side and pointing his finger at her and decided that she should walk home because he was not going to take her back. She could keep the damn dogs. He huffs out of the restaurant and I hear her quietly cursing him under her breath. I get up to pay the check, pausing at her table to ask if she's okay. I said that I was in the booth behind them and couldn't help but hear most of their conversation. She apologized for their loudness interrupting my dinner, and the restaurant.

I introduced myself as Howard and she said her name was Julianna. I gave a smile and asked how far her house was and how was she going to get home. She said she didn't know and slumped down in the booth. I asked if I could sit with her for a minute until she composed herself and she said she didn't care. I took that to mean I could and put my ass in the seat across from her. I didn't say much after first sitting down, but did notice that she was a real cutie with long black hair, a sexy mouth, and huge boobs that looked like she tried to keep them tied down. Her blouse was tight across them as they strained against the fabric. But I tried to keep my eyes up and not embarrass myself further. I tried little bits of strained conversation, cracking a terrible joke here and there.

Slowly, I think I wore her down and she started looking up at me more and more and laughing every once in a while. We sat for about twenty minutes when

again, I offered her a ride home explaining that I was a taxi driver and my cab was right outside. I had a five a.m. call time for my shift the next day, so I had to get going myself. Reluctantly, she accepted and we went out to my car. As she slid into the car seat, her skirt slid up revealing even more leg. As we rode, we talked and I found out that she was an ex-stripper, giving it up for a good paying job. I told her I was sorry I had never seen her dance. In fact, the thought of seeing her on a stage naked gave me a slight hard on. When we arrived at her house she felt secure enough to invite me in for a quick drink. As she opened the door six yapping mutts attacked her and sniffed me out. I tried to sit on the sofa as she poured two drinks. Mine was a Snapple and hers was half a glass of wine.

She told me that she just received her vet's license. We sat and talked after the dogs settled down. She confessed that she missed the freedom that stripping offered. It was hard for her to maintain the rigid schedule that her vet job now demanded. She liked the big money and constant attention of stripping. I told her that I've lived in the Miami area my whole life but never been to a strip club or had a lap dance. She laughed and said I was the first guy she met that hadn't been to a gentlemen's club. I listened and watched as she poured herself a second glass. She then excused herself and went into the bedroom, coming out a moment later with her shirt unbuttoned and her bra off. She said her boobs needed releasing. They get sore being holstered all day and started rubbing them to feel better. Then she asked if I would like to see her dance. It had been almost a year since she last did it. I would have been a fool to say no.

She moved to the middle of the room, slowly taking off her blouse to the beat of the music. She wore some sexy laced black panties that she played with as she pranced around the floor. "I wish I had a pole to work with." She said. I started to get a erection again as she leaned to me and bounced her breasts near my face. She looked down and noticed the bulge in my pants, and noticed me noticing her notice it.

"Don't be embarrassed," Julianna cooed. "That's what's supposed to happen." I took a pillow and put it in my lap. She came over and yanked it off and backed off running her hands along her thin waist up to her tits pushing them together. She glided over to the sofa again, and offered her boobs for me to touch. I reached up and she moved forward putting one of her nipples right into my mouth. While I was sucking on it, she unbuttoned my shirt and pulled it off, running her hands over my chest. Julianna pulled back and started to remove her panties. She turned and pulled her panties all the way down. Her moves were really sexy, but I noticed a few missteps that the alcohol and time had contributed to. When she turned, she pumped her hips my way as if offering me her pussy. I couldn't help but to notice how she kept her pussy hairs trimmed to a short landing strip.

By now my cock was harder than ever and she kept looking at the bulge in my pants. I reached my arms out and she came over to me. I put my hands on the cheeks of her ass and pulled her pussy to my face. She started to grind her hips as I let my tongue part her labia and slip inside her, tasting her love juices. Julianna pulled back and unfastened my pants, as she pulled them off, my stiff rod sprung up. She reached down and took my cock in her hand and as she stroked it a drop of pre-cum developed on the tip. She lowered her head with her tongue out and licked it off. She slowly took the head into her mouth, working more and more of it in as she sucked. I watched as my dick disappeared into her mouth, then she lifted her head letting my cock almost all the way out only to suck it back in again. She backed off me and laid on the floor and pushed her boobs together.

I got up and lowered myself over her, resting my hard cock between her tits. She grabbed it and pushed her boobs tight around it. I started fucking her boobs, letting my dick slide between them as I played with her hard nipples. I looked down at Julianna as she stuck her tongue out and licked the tip of my cock every time it slid up. I pulled my cock out from bewteen her boobs and slid myself down her body until my tongue reached her mons. She pulled her legs up so I could get to her pussy a lot easier. My tongue now found her love bud. I toyed with it letting my tongue flick over it then sucking it in between my lips. As I sucked at her pussy, I inserted my finger into her. I reached my other hand around and started to probe her asshole, this made her movements grow faster. As I slid a finger tip into her pucker, I could feel her muscles tighten up and soon I had my finger all the way in her ass. I couldn't believe how easy it slid into her.

There we were on the floor. I was now pumping my dick into her mouth, a finger and tongue in her pussy, and a finger up her ass. As I pumped her mouth, her movements grew rapid under me I knew her time was near when she wrapped her legs around my head. My cock was starting to throb now, I started to pump faster and faster and she sucked harder until I unloaded in her mouth. I slowly pulled my finger out of her ass, then the others out of her pussy.

We rolled on our sides, my now limp cock still in her mouth and my mouth still sucking her pussy. As my dick slipped out of her mouth she turned around, our lips met and we engaged in a long tongue teasing kiss. We laid on the floor and kissed as I played with her breasts again until her nipples were hard as rocks. Julianna reached down and toyed with my dick as I took one nipple in my mouth and sucked it hard. As she played with my cock it grew hard again, and when it was stiff, she rolled me on my back. As I lay there with my pole straight up, Julianna straddled me, guiding my hard rod into her still wet pussy. It slid right in and she started to rock back and forth letting my cock slide in and out of her.

Suddenly, she stopped all her movements and rolled off me. She got on all fours and looked back at me with big, inviting eyes. Then, I positioned myself behind her and slid my cock into her pussy from the back, letting the tip rub her love bud a few times. As I pumped, she took my balls in her hand and played with them. Then I pulled my cock out and lined the head up with her asshole, the moisture from her pussy was enough to let me slide into her easily. She moaned as I drove my cock deep into her, she started to rock to meet my pumps. She exploded in a huge orgasm after a few minutes and I collapsed down on top of her.

We stayed at this until three in the morning and I forced myself to leave because I did not want to lose my job. After I got off work that day, I took my puppy to get it checked out at her clinic, even though there was nothing wrong with it. I asked for her as my vet and, after a moment and a few hints, she remembered who I was! Woof! Woof!

Kara, is that your boyfriend over there?

Yes, he said I could fuck this guy if he got to watch. I thought that if I was going to do this and he was okay with it, then he should be able to watch. I feel safer and it's even more of a turn on with him here. We did this once before and after wards we had the best sex of our live!

I love one-night stands. But I'm careful with who it is, usually it's someone I know or want to get to know. And when I bring them home, they know they're gonna get a good fucking. I'll start with a great blowjob. Then I'll take them over to the sofa and strip them and myself naked and sit my tight pussy down on their hard cock. Then we'll fuck until I kick them out.

Hi Piper and Lorena.
You're gonna make one guy very happy.

Sex is always on our minds. We're like teenage boys, always horny and ready to do it. We'll warm each other up by playing with our clits and boobies. Then when we're all wet, we'll take that cock of yours and guide it into our mouths and pussies and let you fuck us till we dry up. And that could take a very, very long time. Wanna try?
